Important Questions	Answers	Why This Matters:
What is the overall <u>Deductible</u>?	<u>Network</u> : \$5,000 /Individual or \$10,000 /Family per Calendar Year <u>Out-of-Network</u> : \$15,000 /Individual or \$45,000 /Family per Calendar Year	Generally, you must pay all of the costs from <u>providers</u> up to the <u>Deductible</u> amount before this policy begins to pay. If you have other family members on the policy, each family member must meet their own individual <u>Deductible</u> until the overall family <u>Deductible</u> has been met.
Are there services covered before you meet your <u>Deductible</u>?	Yes: <u>Preventive Care</u> services, outpatient evaluation & management counseling and categories with a <u>Co-Payment</u> are covered before you meet your <u>Deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>Deductible</u> amount. But a <u>Co-Payment</u> or <u>Coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> services without <u>cost-sharing</u> and before you meet your <u>Deductible</u> . See a list of covered <u>preventive</u> services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>Deductibles</u> for specific services?	No.	You don't have to meet <u>Deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	<u>Network</u> : \$8,150 /Individual or \$16,300 /Family per Calendar Year <u>Out-of-Network</u> : \$30,000 /Individual or \$90,000 /Family per Calendar Year	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this policy, they have to meet their own individual <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>pre-certification</u> penalties, amounts over the <u>maximum allowable charge</u> , <u>balanced-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>Network provider</u>?	Yes , see the back of your ID card for more information.	This <u>plan</u> uses a <u>Provider Network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's Network</u> . You will pay the most if you use an <u>Out-of-Network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (a <u>balance bill</u>). Be aware, your <u>Network provider</u> might use an <u>Out-of-Network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No , you do not need a <u>referral</u> to see a <u>specialist</u> .	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **Co-Payment** and **Coinsurance** costs shown in this chart are after your **Deductible** has been met, if a **Deductible** applies.
